## Testcase:

The image shows two screenshots of a web application running on localhost:3000. The top screenshot displays the 'Sign Up' form, and the bottom screenshot displays the 'Sign In' form. Both forms are centered on a blue background. The browser's address bar shows the URL 'localhost:3000/sign-up' for the top and 'localhost:3000/sign-in' for the bottom. The Windows taskbar at the bottom of each screenshot shows the system clock as 21:24 on 03-11-2022.
